

HEAVEN BIKE RENTAL SYSTEM

Frequently Asked Questions (FAQ) | July 2026

Q1: What documents do I need to rent a bike?

A: A valid National Identity Card (NIC) or Passport is required. Foreign nationals must present a valid Passport. The document is held at our counter for the duration of the rental and returned when you bring the bike back.

Q2: How long can I rent a bike?

A: The minimum rental period is 1 day (24 hours). The maximum is 30 consecutive days. Shorter hourly rentals are available on weekdays only at Rs. 80 per hour (minimum 2 hours).

Q3: What is the deposit amount?

A: A fully refundable security deposit of Rs. 2,000 is required for all rentals. For the Electric Glide e-bike, the deposit is Rs. 5,000. The deposit is returned when the bike and all accessories are returned in good condition.

Q4: Do you provide helmets?

A: Yes. A certified helmet is provided free of charge with every rental. Additional safety gear — gloves, knee pads, and a high-visibility vest — is available at Rs. 100 per item per day.

Q5: What if the bike breaks down during my rental?

A: Call our helpline: +94 77 123 4567. We provide roadside assistance within city limits at no extra charge. For normal mechanical failures (flat tyre, chain issue), we will repair or replace the bike. Damage caused by accidents or misuse is the renter's responsibility.

Q6: Can I extend my rental period?

A: Yes. Contact us by phone or through the app at least 2 hours before your scheduled return time. Extensions are charged at the same daily rate and are subject to bike availability. If the bike is already booked by another customer, we will try to arrange an alternative.

Q7: What happens if I return the bike late?

A: Bikes returned more than 1 hour after the agreed time are charged an additional half-day rate. Returns more than 4 hours late are charged a full extra day. Repeated late returns may result in a restriction on future rentals.

Q8: Where can I ride the bike?

A: Bikes may be ridden anywhere within the city and surrounding districts. Mountain bikes (BK-001) are permitted on approved trails. Please inform us before taking a bike outside the city limits. Off-road use of road or city bikes is not permitted.

Q9: Is accident insurance included?

A: Basic personal accident insurance is included in the rental fee for all bikes. This covers medical expenses up to Rs. 50,000 in the event of an accident. Damage to the bike caused by negligence, reckless riding, or accidents is not covered and remains the renter's financial responsibility.

Q10: How do I book a bike in advance?

A: Bookings can be made through the Heaven Bike Rental app, our website, or by calling us. A 30% advance

payment is required to confirm a booking. Advance bookings are held for up to 30 minutes after the agreed collection time.
